MUZRAI DEPARTMENT.

OFFICE NOTE.

Subject.
In the grant in aid to the "Anathalaya" in Mysore City.—

LAST REFERENCE:—

Petition Letter No. 2074 dated 29th November 1904 from the Joint Secretaries of the Anathalaya, Mysore.

Messrs K. Krishna Rao, Advocate and K. Chandrasekharaiah, Advocate, joint-Secretaries of the "Anathalaya" (Orphanage) in Chamaraj Mohalla, Mysore City, state that the institution has been in existence for 9 years and that it was supported by subscriptions &c from charitably disposed persons. In Sept. 1903, the Palace appears to have sanctioned the grant of 100 seers of rice a month for the benefit of the orphans. The subscriptions from private gentlemen are falling off and now amount to only 10 or 15 Rs a month. The number now in the Orphanage is 17 & several de

boys rendered orphans by Plague, were refused admission owing to want of funds. The Anathalaya building which has out-houses attached to it gets a rental of Rs 6 a month and as the resources are very limited and admission of orphans increasing, the Joint-Secretaries pray that the Govt. may be pleased to sanction the grant of Rs 75 a month to the institution.

[Recently, the Govt have sanctioned the monthly grant of Rs 25 to the Cubbestone Home for Incurables and Rs 50 to the Friend-in-need Society, both in the C & M station, Bangalore, the cost being ~~debited~~ added on to the Nuzrai Budget.]

Nuzrai Secretary's Remarks

The Anathalaya in the Mysore city is a well conducted Institution which deserves the encouragement of Government. From the petition it appears that the income of the Institution

is at present roughly Rs 31/- a month, as shewn in the margin, while for maintaining 17 orphans the expenditure is about Rs 119 at the rate of Rs 7 per boy. The Committee ask for a grant of Rs 75/- a month from Government. This is certainly too much. The Committee should exert themselves and get more by way of subscriptions, which cannot be difficult in an important city like Mysore. Government may, on their part, give a grant of Rs 25 a month, and the amount may, as was done in the case of the Friend-in-Need Society and the Girdlestone Ward* be sanctioned from State funds in the General Department and added on to the Muzrai Budget.

Subscriptions, about Rs 15	
Rent of Out-houses	6
Cost of 100 seers of rice given by the Palace	10

To

The Secretary to the Government of
Mysore
Mazarai department

Sir,

We the Secretaries of the
Anna Thana Caya Channaiya Chetty a mysore
beg to state as follows —.

That the Anna Thana Caya has been
in existence for nearly 9 years. Com-
menced with only a few boys
supported by doles and subscriptions
from charitably disposed persons.

The number of boys increased and
grant of 100 seers of rice a

was obtained from the palace in December 1903. Now the number in the Alaya is 17 and several deserving boys rendered orphans by plague, were refused admission for sheer want of funds.

2- The subscriptions and doles have dwindled into 10 or 15 rupees a month, owing to plague and other unfavourable circumstances. The Alaya has out-buildings which fetch a rental of 6 rupees a month. It has been found that the cost of feeding, clothing, school fees, and books &c comes up to something between 6 and 7 rupees a month for each boy.

Under these circumstances, we pray that You will be so kind as to move the Government to sanction a

Proceedings of the Government of His Highness the Maharaja of Mysore.
